Laptop wraps for Human Society and Its Environment Stage 5

This collection of new laptop friendly resources from the Centre for Learning Innovation is designed to support the Digital Education Revolution NSW implementation. The mix of online and offline tasks is intended to promote student understanding and capability in key topic areas in HSIE subjects of Geography, History, Commerce and Aboriginal Studies, including options within topic areas. Search on TaLe by Laptop wrap Stage 5 HSIE.

New Laptop wraps from the Centre for Learning Innovation (CLI) provide online and offline tasks to support student investigation, collaboration and creation of content.

What makes Australia unique? *Geography*

Collate data and create a population pyramid using Excel, and then suggest policies to best suit the demographic characteristics of your suburb.

TaLe search by title or number [8889](#)

The first dismissal *History*

Create a digital story and a role-play on the main developments and events in the dismissal of Jack Lang. Contribute to a blog about the significance of the dismissal.

TaLe search by title or number [8902](#)

People's experience between the wars *History*

Gather images and create a slideshow to tell the story of your chosen group. Narrate and record your slideshow explaining how the images tell the story of your chosen group.

TaLe search by title or number [8846](#)

Impact of WWII on Australian civilians *History*

Identify primary and secondary information on the Sydney submarine attacks. Create a radio broadcast from the morning after the attack. Publish a museum brochure about the impact of the War.

TaLe search by title or number [8870](#)

Levels of government *Commerce/Geography*

Create a brochure describing roles and responsibilities that apply to different levels of government, and a presentation identifying the role of government in everyday life. Draft an email to an MP about an issue.

The Teaching and Learning exchange (TaLe)

Search on TaLe for access to 1041 HSIE Stage 5 resources including 196 resources from The Le@rning Federation and 30 laptop friendly HSIE Stage 5 resources from CLI. You can also save your searches to develop resource lists to share with students.

TaLe has changed the design of its pages, search and the information to better support the Digital Education Revolution NSW (DER-NSW), with:

- a collation of online support for new tools and software under the Tools+ banner
- search improvements to help users find 'laptop friendly' resources
- interface redesign to accommodate the screen size of netbooks.

Tools+

Tools+ on TaLe provides access to tools and resources that support software applications provided under programs such as Connected Classrooms Program, Technology 4 Learning and DER-NSW. Use Tools+ to find approved and up-to-date information and resources to help with interactive classrooms, software tools and social media.

Search improvements and design changes

TaLe search results pages now enable teachers with netbooks to view more search records, and changes have been made to the TaLe header and other design elements to improve usability on netbooks. To make things even easier for teachers, a visual shortcut to the DER-NSW support pages has been added to the right hand column of the Secondary teachers home page.

TaLe DER-NSW

TaLe, Secondary now has a link to a dedicated DER-NSW site. Here you will find a 'one-stop shop' where you can browse through all of the DER-NSW resources available through TaLe – www.tale.edu.au/tale/live/DER.

CLAS for schools

CLAS for schools is a self-evaluation tool that helps teachers appraise their skills and knowledge in using ICT for teaching and learning.

CLAS gives teachers links to practical advice, tips, set-up guides, software and online tools, and includes links to advice on curriculum benefits, plus a range of collaborative resources and learning programs using video conferencing and webcasts.
